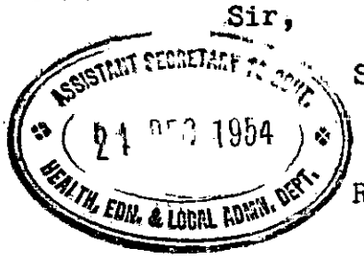
Sir,



Sub:-MALARIA--South Kanara District--Scheme of Control--continuance from 1-3-55--sanction of Government--Requested-

Ref:-1)G.O.Ms.No.1140, Health dated 29-4-1954.
2)G.O.Ms.No.1155, Health dated 30-4-1954.

--:--

The sanction accorded to the continuance of the Anti-malaria scheme, South Kanara District and the staff therefor, in the Government Order first cited, will expire on 28-2-1955 A.N.

2. In the G.O. 2nd cited, it has been ordered that the sanction for the extension to the anti-malaria scheme, South Kanara District will be adjusted later to make it co-terminus with the sanction for the main scheme. Hence the present sanction for the extension to the Anti-Malaria Scheme, South Kanara District will also expire on 28-2-1955 A.N.

3. The scheme which was started first for the control of malaria in Puttur taluk, was later extended to Karkal and Coondapur taluks and Kasargod taluk. At present 111 villages in Puttur Taluk, 44 villages in Karkal taluk, 26 villages in Coondapur taluk and 15 villages in Kasargod taluk were included for control measures, which form the foot-hill malaria belt of the district. The area under control extended to about 1500 sq.miles benefiting a population of 2,14,850. All malarial areas are being covered.

4. Measures carried out
1) Malaria control by residual DDT spraying of all houses.
2) Free distribution of anti-malaria drugs.
3) Investigations regarding fever cases, Entomological data, spleen and parasite surveys to assess the results of control.

5. Achievements observed:
Reduction in spleen and parasite rates, Malaria incidence, low vector density, improvements in Birth and Death rates and in socio-economic conditions and cultivation in the areas which were formerly very little inhabited - vide statement attached *

6. As there are still many endemic pockets to be tackled it is necessary to continue the scheme and the staff. I therefore request that Government may be pleased to sanction the continuance of the Anti-Malaria Scheme, South Kanara District and its extension with the following existing staff sanctioned in the two Government Orders cited, for one more year from 1-3-1955.

ORDER:

Sanction is accorded to the continuance upto 28-2-56 of the Anti-malarial Scheme South Kanara District with the following staff sanctioned therefor :—

Health Officer class I	One
Entomological Assistant	Two
Lower Division clerks	Two
Health Inspectors	Seven
Field Assistants	Twenty nine
Laboratory Assistant	~~One~~ Two
Peons	Ten
Driver-cum-cleaner	One
Driver	One
Cleaner (to be paid from contingencies)	One
Maistries during operations (to be paid from contingencies)	One hundred and sixteen only

The staff excepting the maistries and the cleaners will continue to draw a special pay equal to

25% of their pay.

2. Sanction is also accorded to the incurring of the following other expenditure on the scheme:-

Laboratory and field equipment, chemicals and furniture etc.	Rs. 3000
Office rent	Rs. 2000
Maintenance and running charges of transport	Rs. 7000
Miscellaneous contingencies	Rs. 3000
	Rs. 15000

3/ The expenditure should be debited to "37. Public Health"

4/. Normally two-thirds of the cost of the scheme should be met by the South Arcot Dist. but in view of its poor financial position the Board has sanctioned the payment of a contribution of Rs. 20000 only for the scheme. This contribution will be recovered from the Dt. Board and credited to State funds under the head "XXVII - Public Health - Contributions"

In G.O.Ms.No.1140, H.E.L.A., dated 29-4-54, the Govt. have sanctioned the continuance of the Anti-Malarial Scheme (main scheme), South Kanara Dist. for a period upto 28-2-55. Subsequently in G.O.No.1155-H.E.L.A., dated 30-4-54, sanction has also been accorded to the implementation of an Extension Scheme to the Anti-malarial Scheme, South Kanara Dist., as recommended by the D.P.H. under the National Malaria control Programme, for a period of one year from the date of its introduction. It has been ordered that the sanction for the extension to the Anti-malaria scheme, South Kanara Dist. will be adjusted later to make it co-terminus with the sanction for the main scheme. The present sanction for the main as well as the Extension Anti-malarial schemes will expire on 28-2-55. As there are still many endemic pockets to be tackled, the D.P.H. considers that it is necessary to continue the Anti-malarial scheme and the staff. He has therefore requested the Govt. to

sanction the continuance of the Anti-malarial scheme, South Kanara Dist. and its extension scheme with the staff sanctioned for both of the schemes for a period of one year from 1-3-55, by merging the extension scheme with the main scheme with reference to the orders at 'A' on p. 3 above. H.E.L.A. have recommended the proposal of the D.P.H. above.

In the circumstances stated, Fin. may agree to the proposal of H.E.L.A. above.

H.E.L.A. propose to sanction the incurring of an expenditure of Rs 20,000, towards laboratory and field equipments, office rent, maintenance of transports, miscellaneous contingencies etc. on the scheme as against an expenditure of Rs 18,000/- sanctioned previously. The slight increase is probably due to the merger of the extension scheme with the main scheme.

In the circumstances, Fin. may agree to the proposal of H.E.L.A. above.

The S.Kanara Dist. Board has agreed to pay of Rs 20,000/- towards the contribution of the scheme. H.E.L.A. propose to recover this amount and credit it to state funds. In view of the expressed inability of the Dist. Board to contribute the usual full 2/3rd of the total expenditure, this may also be agreed to.

The draft order on pp.1-2 above may be accepted, ~~subject to the remarks that sanctions in respect of gazetted and non-gazetted posts may be issued separately with reference to the instructions issued in Fin. U.O.Note No.1159-EA/55-1, dated 20-1-55 may be issued separately.~~
